

Are you or a family member living with HIV?

Do you need financial assistance to remain in your home?

Do you need to find new housing?

Having a stable living environment can play a major role in your health.

The HOPWA program can help.

The HOPWA housing program for people with HIV/AIDS is available throughout Florida and can assist you with:

- Permanent housing placement
- Short-term rent, mortgage, and utility assistance
- Transitional housing assistance
- And more!
